RE: Wetlands Bureau Complaint File #1999-01074, Mill Lane, Hampton Falls

Dear Mr. Arndt:

The Department of Environmental Services ("DES") is conducting a systematic review of its open administrative fine cases. On May 3, 2001, the DES Water Division ("Division") issued Notice of Proposed Fine No. AF 01-32 to you seeking fines totaling \$500 for unauthorized construction of a driveway conducted on property located on Mill Lane in Hampton Falls, NH, more particularly identified as Lot 19 on Hampton Falls Tax Map 1. Because of the lack of any prior violations by you on record with DES, and the amount of time that has passed, DES is hereby notifying you that Administrative Fine No. AF 01-32 has been administratively closed without findings.

Thank you for your attention to this matter. If you have any questions, please do not hesitate to contact Linda Magoon at (603) 271-4056 or by e-mail at [lmagoon@des.state.nh.us](mailto:lmagoon@des.state.nh.us).

Sincerely,

Harry T. Stewart, P.E., Director  
Water Division
